Packed Lunches

Our Waste management has changed the way we get rid of recycling, rubbish and food waste. We are requesting that children on packed lunches take their waste home with them, where possible. This also helps parents to monitor the food their child has eaten. We suggest having a container in their lunch box (or using their sandwich bag) to put their waste into. We will allow them to bin any very messy items!

Y1 Class Assembly

We'd like to invite parents and family members to Y1's Class Assembly on:

Tuesday 8th April at 2.45pm

The children will lead the assembly and show what they have been learning about!

Year 5/6 Girls' football

Our Year 5/6 Girls' football team had a brilliant time at the Tees Valley Finals at Rockliffe, MFC Training ground. The main focus and reward for reaching the finals was a full morning's tour round Rockliffe and coaching from MFC Academy players, followed by the competition in the afternoon. Highlights were meeting Boro Coach, Jonathan Woodgate and watching a number of first team players train. The girls came 4th in their group in the competition and had a fantastic day!

Well done to Jacob!

We were so proud to hear that Jacob T in Y1 helped to fund raise £3500 for charities associated to his late brother, Nathan, for what would have been his 5th birthday. Alongside his family, he helped to sell golden ticket Wonka Bars, held a raffle and a kids disco with face painting! Jacob helped to make the sweet cones, danced all night and thanked everyone for coming. What a wonderful thing to do, well done Jacob and his family!

Recipe of the Week:

Strawberry Basil Sorbet

4 servings
15 minutes

Ingredients

- 3 cups Frozen Strawberries
- 1/4 cup Water (warm)
- 2 tbsps Maple Syrup
- 1 tbsp Lemon Juice
- 1/4 cup Basil Leaves

Directions

- 1 Thaw the frozen strawberries for ten minutes before blending.
- 2 In a food processor, blend the strawberries with water until smooth. Add in the maple syrup, lemon juice, and basil and blend to combine.
- 3 Scoop into bowls and serve immediately, or store in a resealable container in the freezer for one hour for a firmer texture. Enjoy!

Notes

Leftovers: Store leftovers in a resealable container in the freezer for up to one month. Thaw fifteen minutes before serving. Once frozen, the sorbet may take on a more "granita"-like texture. This is perfectly normal, but if you'd like it to be smoother, simply re-blend in the food processor for thirty seconds before serving.
Serving Size: One serving size is equal to approximately 1/2 cup.
Additional Toppings: Top with fresh strawberries and fresh basil.

Attendance

'Class of the week' celebrates the class with the best attendance each week. The winning class, across the term, will get a treat they can negotiate with their teacher! Well done to Reception and Year 4 this week!

RIGHTS RESPECTING READ

ARTICLE OF THE WEEK

As part of our work on being a Silver Rights Respecting School, we would like to share with you our 'Article of the Week'. Each week in school, we discuss an article from the Convention on the Rights of the Child with the children and what this means to them. This week, we have looked at article 24 and 27.

Article 24

Every child has the right to the best possible health. This includes health care, clean water, nutritious food and a clean environment and education on health and well-being so that children can stay healthy.

Article 27

Every child has the right to a standard of living that is good enough to meet their physical and social needs and support their development.
